| Tues 18 Dec | Stage 2 & 3 Picnic Day | Tues 5 Feb | Yrs 3 – 6 Swimming Carnival |

Principal's Message

P & C THANK YOU

2018 has been a phenomenal year of support from the P&C with an enormous amount of strategic changes to classrooms. The P&C have used funds which were accumulated **over 3 years** to complete many projects to a total of \$254,816.50 Below is a list of the contributions the P&C, which means all our parents and community, have enabled Forestville to have:

1. Air conditioning in all classrooms. \$63,000
2. Synthetic grass installation in the Darley Road end of the school \$21,105
3. Flexible Furniture for Kindergarten and Year Six \$75,000 – more to be purchased soon.
4. STEAM hub furniture, fixtures and technology \$51,007
5. Learning Support funding \$25,000
6. Storage Shed near Library \$2,545
7. School Band. \$10,000
8. 2 New BBQs for school \$624.50
9. Kindy Library Bags \$1,038
10. New Plants for garden \$1,497
11. Happy Days Charity Cambodia \$4,000

These contributions ensure Forestville is the very best possible school we are able to provide for our students and staff. We are keenly moving forward to provide an environment and equipment that supports future focused learning, and with the support of parents and community members we are able to do so a great deal more efficiently and effectively. A **HUGE** thank you to you all for being involved in our fundraising, caring for our students and school, and supporting our growth and infrastructure. I am really looking forward to another exciting year in 2019 and working with our P&C to further improve Forestville.

PRINCIPAL 2019

In 2019, I will continue as Principal until Cathie Ferguson's leave is finalised. I have a deep commitment to, and love of Forestville Public School, and all of the students and community. Ensuring stability for our school is very important to the continuation of the school plan and the projects we have already begun, so I was happy to take the role into 2019. Later next year the position will be advertised and the new Principal will be appointed.

PRESENTATION DAYS

It is a very busy time of year for students and staff as we prepare for the presentation days. It is important that these ceremonies reflect the respect that we all have for the huge amount of work our students have done in 2018 and for their achievements. Please ensure your children come dressed in full school uniform for these events.

BAND TOUR

I would like to thank Mrs Anne Mackenzie and Mr Chris Williamson, our band director Mr Matthew Hurditch and our fabulous parent helper Heidi Shapiro for accompanying our Concert Band students on their tour last week. Thank you also to the fabulous parent helpers who joined the children on Thursday for their Jamberoo day. All of the students and staff had a wonderful time and their audiences were delighted by the high quality performances. The tour provides students with the opportunity to perform for students in smaller schools who may not be exposed to school bands, and also to celebrate their musical journey as the Year 6 students leave primary school. Thank you also to the band committee for their fabulous organisation and I commend all students on their exemplary behaviour.

LEGO JR LEAGUE CHALLENGE – MACQUARIE UNIVERSITY

On Saturday 8 December, 2 teams from Forestville presented their work at Macquarie University in the Lego Jr League Robotics challenge. The Forestville teams of Year 2 and Year 4 students worked to create a solution to a Moon Mission using Lego and robotics. The students needed to explain and demonstrate their work to an audience and judges.

Congratulations to our team members, Lachlan and Alex (2P), Hamish and Felix (2Z) Nick (2M) and Eli (2L), Aviv (4CB), Tyler and Oliver (4M), Joel and Yoav (4K) and Brendon (4B); and an enormous thank you to our staff Cathie Howe, Anahid Zouain, Brianna Wilson and Megan Parsons for all of their help with the project and for accompanying students on the day. It is such a fantastic team building and learning experience for these students

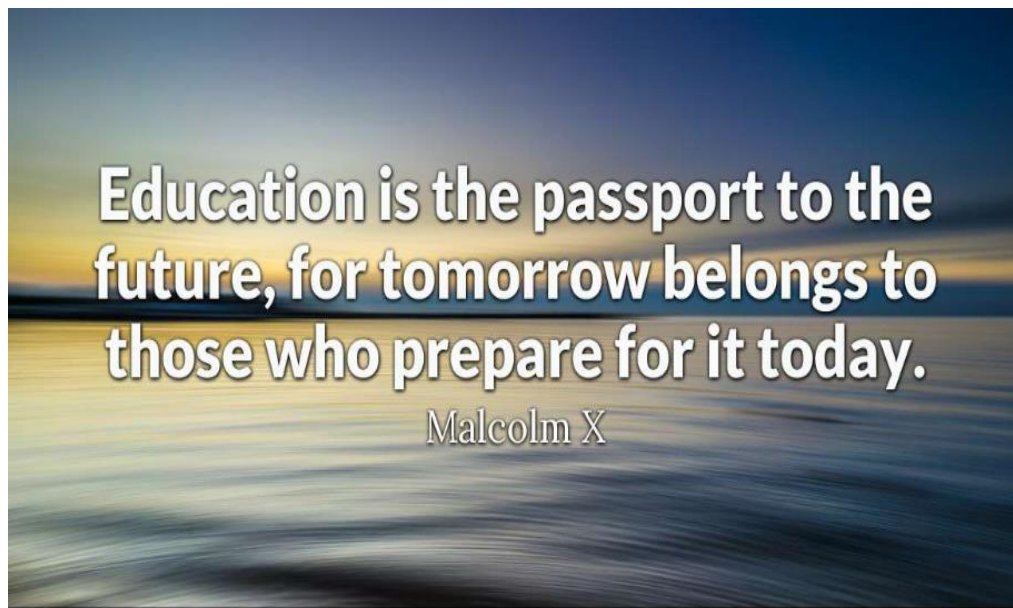

HOME READERS / LIBRARY BOOKS AND RESOURCES:

Please return all home readers to school as we need to complete a stocktake of resources. Any other school resources which students may have borrowed can be returned at the same time. It is important that we have our resources returned as we need to move into 2019 with adequate supplies for the students moving into their next grade.

LEAVING FOR YOUR HOLIDAY EARLY?

Please let your class teacher know if you intend to take your child out of school earlier than 19 December, the last day of school for 2018. We will need a note to attach to our school rolls so they can be finalised for the year. The rolls are a legal document and we need to ensure they are up to date with all required data.

Quote of the week

Thank you for your support.

Louisa Wellings (Relieving Principal)

Deputy Principal

FIRST LEGO League Jr Expo at Macquarie University

On Saturday two teams of Forestville students participated for the first time in the Mission Moon Challenge as part of the FIRST LEGO League Jr Expo at Macquarie University. For several weeks leading up to the Expo, the students met each Thursday lunchtime along with teachers Ms Wilson, Ms Parsons, Ms Osborne, Mrs Zouain and Ms Howe. Our team mentors, Iain and Kimmy also met weekly with the team to provide greatly appreciated guidance and assistance. The students explored what it would take to live on the Moon, designed and built a *Moon Base* that contained motorised parts and created a *Show Me* poster to share what they learned with others.

Our NASA-Nauts were presented with the best 'On Display' award for their fabulous *Show Me* poster and our Mission 4 team were presented with the 'Cooperation Rocks' award. Congratulations to both teams for their outstanding effort and enthusiasm.

To view more photos and video footage visit the Latest News and Image Gallery on our school website: <https://forestvill-p.schools.nsw.gov.au/>

Stage 1 team (NASA-Nauts 2 AKA Forestville Robonauts):

Hamish (2Z)
Felix (2Z)
Lachlan (2P)
Alex (2P)
Eli (2L)
Nick (2M)

Stage 2 team (Mission 4 AKA Forriebots):

Tyler (4M)
Oliver (4M)
Yoav (4K)
Joel (4K)
Aviv (4CB)
Brendon (4B)

Cathie Howe
Deputy Principal

P & C

The Kindergarten classes received their new furniture recently, funded by the P&C. We're delighted to be able to provide a creative, flexible learning environment in each classroom and enhance the children's learning experience. Thank you for the lovely Thank You letters, they are greatly appreciated.

From the Office

STATIONERY REQUIREMENTS FOR CLASSES 2019 - Notes were sent home with students last week. They were also sent out as an attachment on the Skoolbag App. We also have notes in the office if you need a copy.

Accounts - Thank you to all our families who have settled their final account for 2018. Another reminder will be emailed this week and prompt payment would be appreciated.

Tree of Joy

The Rotary Club of Frenchs Forest is pleased to again sponsor the Tree of Joy at Forestville Public School. The Tree of Joy Christmas Tree is located in the school office foyer. Your donation will brighten Christmas for many less fortunate individuals and families. Please select a card and return it with the wrapped gift/hamper by Monday, 17 December.

Stewart House

Thank you to the schools who continued to support Stewart House this year and made it possible for around 1,700 children to enjoy the benefits of the Stewart House program. These students have engaged in experiences to enhance their wellbeing, develop new relationship skills and give them hope for the future. The Stewart House health and wellbeing program continues to evolve and we have an exciting year ahead.

School Banking

Tomorrow, **Tuesday 11 December** will be the final school banking morning for 2018. The Commonwealth Bank are not delivering any more Rewards this year. Children who are about to make their 10th deposit have the opportunity to order from the limited stock available and it will be delivered next year or they can wait until the new rewards are released in 2019 and place their order then. We have had some fantastic savers here at Forestville. If your child is not already banking and would like to in 2019, simply pop into your local branch during the school holidays to open their account and they will be ready to go in the new school year. The first banking day for 2019 will be Tuesday 5 February.

Well done to all our awesome savers this year and a big thank you to our team of Volunteers who have kept it going!

Many thanks
Jessie Oreb

Annabella A.

UPCOMING STRINGS DATES

Band Camp

Last Wednesday the Concert Band hopped into the coach, ready for two days of fun. After a bit of a drive we arrived at the first rural school, the Colo Vale Public School, to perform seven of our pieces. In this order, we performed:

1. Afterburn
2. I'm a Believer- From the movie Shrek
3. Rolling in the Deep- By Adele
4. Africa- By Toto
5. Around the World in 80 Measures
6. Earth Wind and Fire Dance mix- which included "Let's Groove", "Boogie Wonderland" and Sing a Song"
7. Pirates of the Caribbean- Mix from the movies

After being presented with three boxes of Favourites chocolates, we packed up and hopped on the coach again. This time it was a very special performance for quite a few very special people. When we arrived at Tangara School, we felt a happy vibe floating around. This would definitely been my favourite school. Tangara is a school for kids that are unable to go to normal schools. Many of the kids were in wheelchairs or had other special needs. As soon as we started playing, their faces lit up and were waving their hands around, some even got up and danced! It was very heartwarming to see how much music is a language *everyone* can speak.

After that we went to Robertson Public which was a small school in Robertson. We played the same songs at each school and by the end of the day we were very tired. We stayed overnight at the Jamberoo Resort and the next day we went to the one and only Jamberoo Action Park! Everyone LOVED the rides.

I would just like to thank the three main helpers over the tour, Mrs Anne Mackenzie and Mr Chris Williamson, and we can't forget Heidi Shapiro, Leighton's mum who helped the teachers deal with us over the two days. Thank you to the parents also for coming to Jamberoo Action Park and looking after us. We had a great time. Thanks also to the fabulous organisers of our tour, Lisa Hoefnagels and Michelle Broadbent.

Band News

The band tour went really well last week

The bands performed fabulously at the three schools and had a ball at Jamberoo Water Park
Many thanks to Michelle Broadbent for organising.

Year 7 2020

ENRICH

DEEPEN

GROW

EXTEND

7

Davidson High School would like to invite parents of prospective year 7 students for 2020 to an information event.

At Davidson High School, we offer students an opportunity to apply for a position in the year 7 extension class (formerly called GATEway).

This event will provide you with the information you need to prepare the application and portfolio with your child.

The EDGE 7 classroom will encourage students to think critically and creatively, make connections to the real world, while fostering a challenging, stimulating and positive learning environment to foster a growth mindset.

Dates: Term 4, 13 December 2018 or Term 1, 5 February 2019

Time: 4.00 pm

Uniform Shop

Lost something?

The lost property area in front of the uniform shop is teeming with items.

Have you lost a jumper? A lunch box? A sports uniform??

Please check for any items you may be missing, and help reduce our mountain of jumpers and lunchboxes to a molehill. Thanks!

With just over a week of school to go, it's a great time to pass on any outgrown uniform items in good condition. Donations to the second-hand sales go to the P & C for use within the school.

IMPORTANT: Please note that the Uniform Shop will not be open on the Pupil Free Day, Tuesday, 29 January, 2019.

Introduction to Coaching Course

Learn from the Little Athletics experts!

Help Kids Learn Basic Athletics Skills
Fun. Practical. No exam. No previous experience necessary!

"The course was very enjoyable, easy to follow and very informative" ITC Course Participant

Manly ITCCs

The Introduction to Coaching Course (ITCC) is designed to help participants become better placed to assist children to perform basic athletics skills.

The ITCC is a practical coaching course designed for Little Athletics and conducted on behalf of Little Athletics Australia. It covers how to teach basic working models for each event on the Little Athletics program. Participants will be shown event-specific skills, drills, games and activities relevant to the target age group.

The course is great for parents, school teachers and other interested people who want to know a little more about the skills of the sport so that they may help to coach children of primary school age, assist at Little Athletics centres or prepare students for a school athletics carnival.

This course is suitable for:

- People with little or no athletics coaching experience
- People who are considering attending a Level 1 Community Athletics Coach Course
- People who have completed a Level 1 Community Coach Athletics Accreditation

At the conclusion of the course the participant will, for the target age group:

- Better understand an appropriate working model for each Little Athletics event
- Have a greater knowledge of appropriate drills, skills, games and activities for each event
- Identify some of the more common technical faults associated with each event
- Have a basic understanding of a simple coaching session
- Better understand how to organise a group safely

- Manly ITCC: Choice of 2 dates!
- Saturday 3 November, 2018 OR
- Saturday 22 December, 2018
- Wakehurst Public School, 8 Glen Street, Belrose
- \$62 per person
- Must be 16yrs and above

HEALTHY SCHOOL CELEBRATIONS

From birthdays to holidays, there are many celebrations in schools. Each student's birthday can mean multiple birthday cakes and party foods in the classroom...

Let's help kids celebrate with some FRESH ideas:

| | |
|--|---|
| <p>Hello Creativity Make a birthday sign, stickers or a badge for your birthday boy or girl to wear</p> | <p>Eat a Rainbow Pack a NEW fruit or vegetable for Crunch & Sip for the whole class to try or send in fruit kebabs or a fruit platter</p> |
| <p>Move More Think of presents that help kids get active at recess or lunch – balls, frisbee, skipping rope</p> | <p>Mini Masterchef Whip up some tasty fruit or veggie mini muffins or pikelets. Search for recipes at www.cancerCouncil.com.au</p> |
